

# Are You Looking to Strengthen Inclusion for Young Children with IEPs?

**You Don't Have to Figure out Preschool Inclusion Alone!**

## **Progress & Quality**

We help you analyze data to measure program quality, celebrate success, and solve program challenges.

## **Guidelines & Policies**

Together, we review your program's procedures to ensure they actively support inclusion.

## **Partnering**

We help you collaborate with community partners to support inclusive, high-quality experiences.

## **Training & Coaching**

We build custom training plans and set up coaching so your team creates a classroom where every child engages.

## **Ready to take the next step?**

### **Partner with T/TAC for Inclusion!**

Reach out to your regional early childhood T/TAC representative to strengthen inclusion in your program!
